ORDER

[ECF Nos. 8, 9]

8
9 On April 13, 2018, the court dismissed this 28 U.S.C. § 2241 habeas corpus petition as
10 unexhausted, and judgment was entered.¹ Petitioner Yasir Mehmood now moves for
11 reconsideration, asking the court to waive the exhaustion requirement “on humanitarian
12 grounds.”² After this habeas proceeding was closed, Mehmood filed another § 2241 habeas
13 petition in this court, in which he makes the same—and additional—claims.³ That case was
14 transferred to the proper venue of the Southern District of Florida. I therefore deny the motion
15 for reconsideration in this case as moot and duplicative.

16 **IT IS THEREFORE ORDERED** that petitioner’s motion for reconsideration of this
17 court’s order dismissing the petition **(ECF No. 8) is DENIED**; and
